

*Caring for you over 100 years!*

## 2022 Community Reinvestment

**Charity Care**  
**\$134,839**

Girard Medical Center provides care regardless of a patient's ability to pay. This figure represents charges forgiven for patients who qualify for assistance.

**Community Education And Transportation**  
**\$17,096**

In continued efforts to be proactive in the community and promote healthy lifestyles, free services are offered such as transportation, health screenings for students, and health fairs.

**Total Payroll**  
**\$10,413,365**

We continually compare salaries to others and make adjustments to remain competitive. This is crucial to retain the best and brightest healthcare professionals.

**Local Vendors:** **\$1,295,402**  
Girard Zip Code \$914,082  
Crawford County \$381,320

Money spent at locally-owned businesses stays in the local economy and continues to strengthen the economic base of the community. We value the Girard community, as well as the surrounding communities, and want to contribute in preserving their distinctive character.

**Scholarships/ Donations:** **\$5,405**

**\$11,866,107**

**REINVESTED IN OUR COMMUNITY!**

# Services Provided at Girard Medical Center

<p><b>Emergency Room Services and Express Care</b></p> <p><b>GMC is proud to provide our community with an ER which is also a Level IV Trauma Center!</b> We have an around-the-clock physician/physician-extender staff.</p> <p>Express care is open 9am to 5pm Saturdays and Sundays along with most holidays. Patients with illnesses and injuries that are NOT life-threatening are treated quickly and professionally. As part of our rural health clinic, patients have the convenience of weekend hours, but only pay weekday office visit prices.</p>	<p><b>Other Services Provided</b></p> <ul style="list-style-type: none"> <li>• Inpatient Med/Surg</li> <li>• ICU Care</li> <li>• Radiology/Digital Mammography</li> <li>• In &amp; Outpatient Surgery</li> <li>• Physical, Occupational, and Speech Therapy</li> <li>• Pharmacy</li> <li>• Laboratory</li> <li>• Home Health</li> <li>• Cardiac Rehab</li> <li>• Pulmonary Rehab</li> <li>• Nutrition Consulting</li> <li>• Skilled Care/Swingbed</li> <li>• Wound Care</li> <li>• Community Outreach - Health Screenings, Flu &amp; Pneumonia Shots, CPR and First Aid Classes</li> </ul>	<p><b>Outpatient and Inpatient Senior Behavioral Health</b></p> <p>Senior Behavioral Health is designed to address the emotional and behavioral health of patients over the age of 55. Our team of trained professionals provides individualized care aimed at improving one's ability to effectively cope with life stressors that may cause poor sleep, loneliness, hopelessness, low self-confidence, decreased energy, sadness, etc. Anyone can make a referral, including a patient's physician, family or friends. To schedule a free assessment, please call 620.724.7399.</p>

### *A Message from Leadership...*

Thank you for taking the opportunity to learn about the many benefits our community enjoys because of the presence of Girard Medical Center. We hope you agree that GMC's re-investment is important to the preservation of Girard and the surrounding communities. Equally important is our ability to continue providing accessible, compassionate, high-quality healthcare. Community support is vital and we are grateful for your reliance on us for the myriad of services available at our hospital and clinics. We thank you for your support of Girard Medical Center and want you to know that we consider it a privilege to serve you!
