

BRAIN HEALTH DAY 2025

A Community Event Focused on Memory and Cognitive Wellness

Date:

Wednesday, June 11th

Time:

9:00 AM - 5:00 PM

Location:

Girard Medical Center of Fort Scott
1624 S. National Ave., Fort Scott, KS

Free Cognitive & Memory Screenings Available!

Understanding and addressing changes in memory and thinking is one of the most important steps we can take to support brain health. Join us for a free, one-on-one screening and helpful conversation.

Join us if:

You've noticed changes in your own memory or thinking and have questions.

You're concerned about memory changes in someone you care about.

You're simply interested in learning how to support brain health and wellness.
